

Shopping Cart Application - Screen Mockups

A screenshot of a software window titled "LoginScreen". The window has a standard title bar with minimize, maximize, and close buttons. Inside the window, there is a large white area. In the center of this area, there are two text input fields. The first field is labeled "Username:" and contains the text "Newman". The second field is labeled "Password:" and contains a series of asterisks "*****". Below these two fields is a single button labeled "Login".
